

Global Prize Innovation in Desalination

2024 EDITION

Palo Alto, 31st January 2024

<https://gpid.net>
[@innovatedesal](#)

We started our GPID journey as the

GAME CHANGER

of the global desalination and water landscape

GPID 2023 WINNERS

Quantum Wei

Impact Medal
Consumables and Chemicals

Syed Shah

Grand Prize Winner

William Janssen

Impact Medal
Environmental Impact

Alberto Figoli

Impact Medal
Beyond Water

Arian Edalat

Impact Medal
Brown Field Capex

Attia Kather

Impact Medal
Energy and Decarbonisation

Hany Said

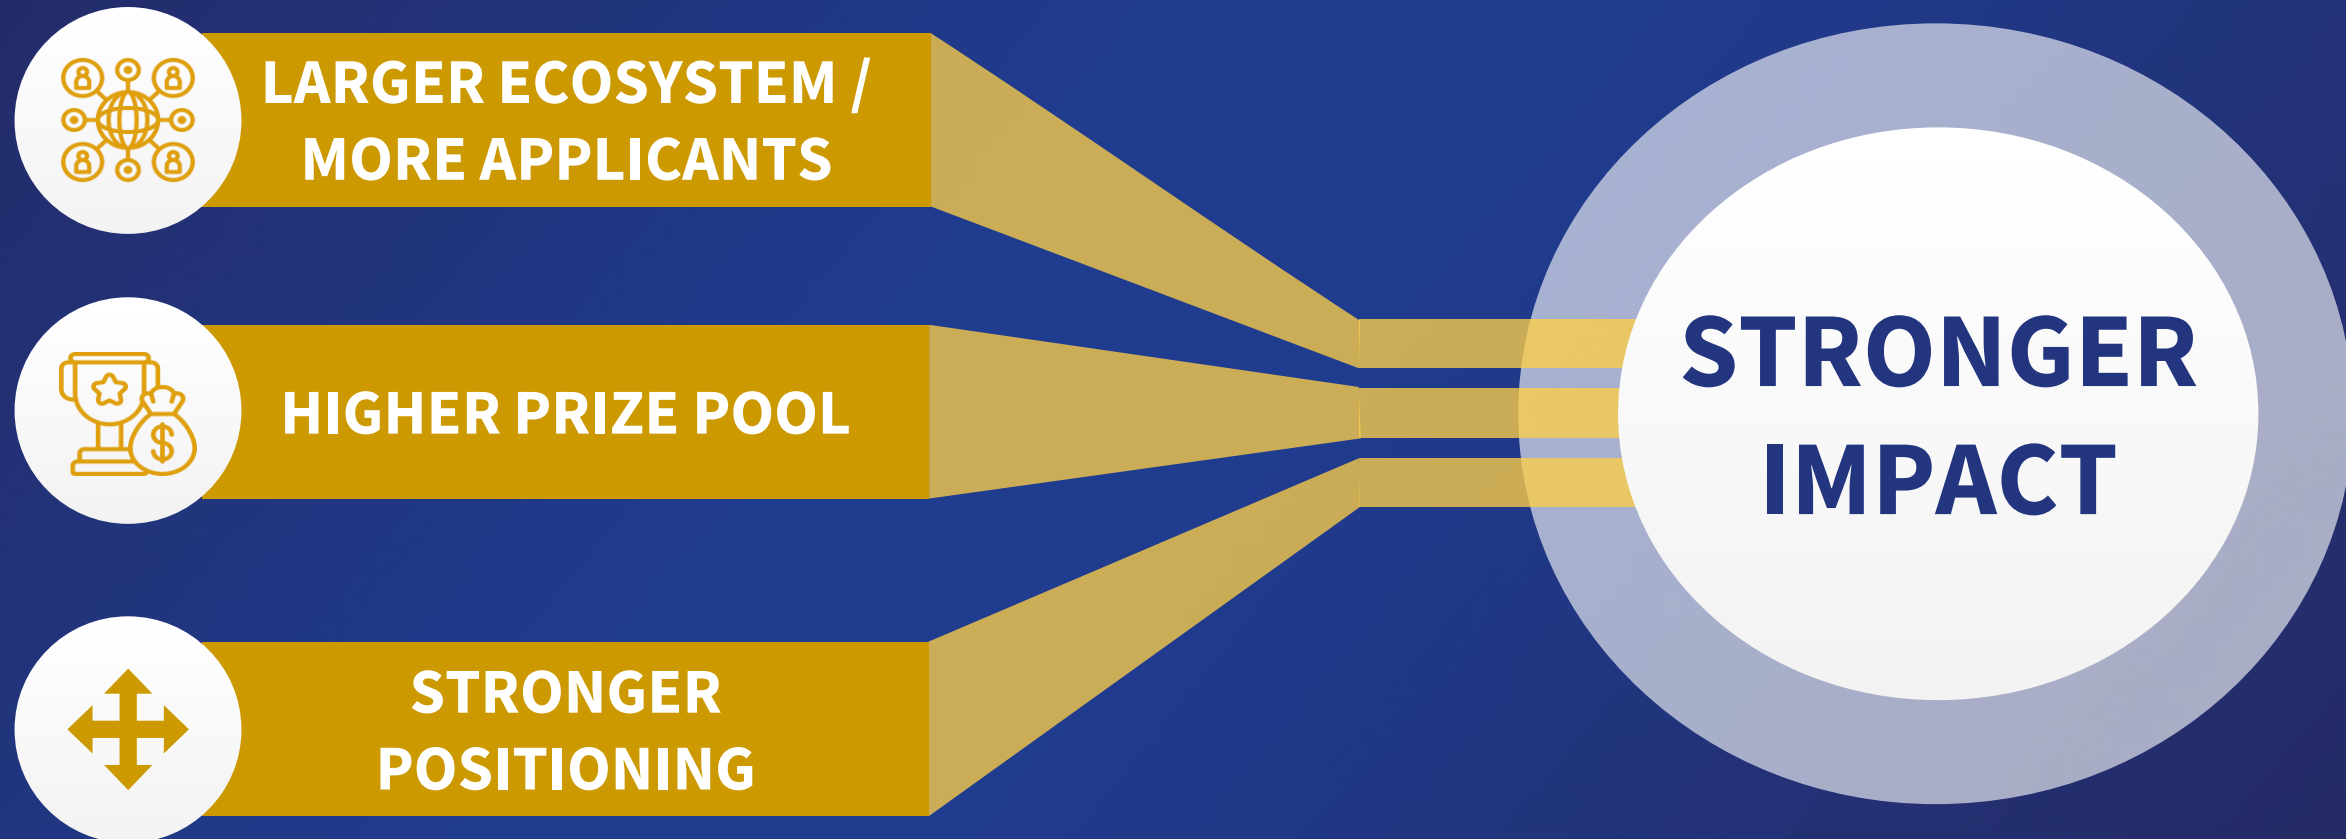

Impact Medal
Green Field Capex

Now we need to envision the new GPID as the

FRONTRUNNER

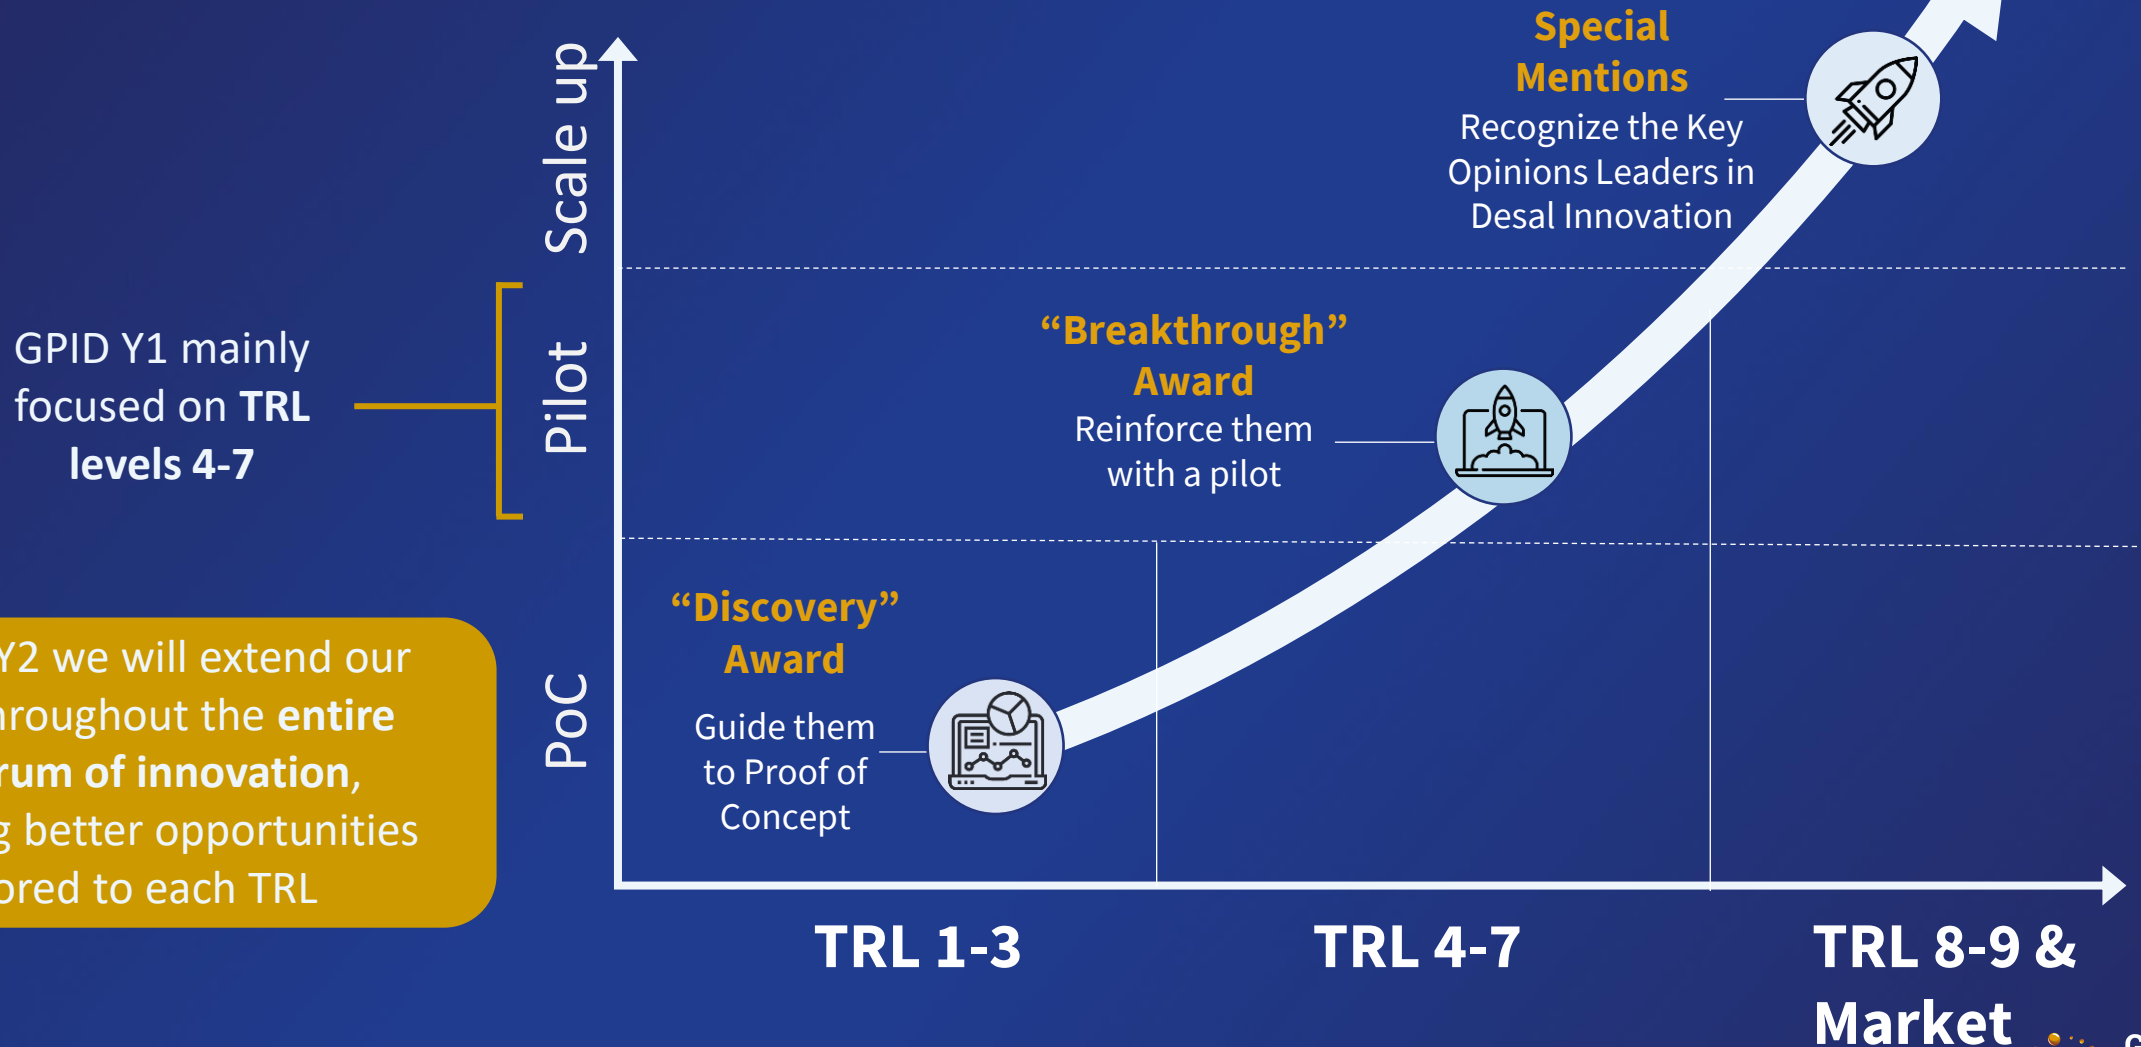

of a revolutionary worldwide network

Being Impactful

In GPID Y2, we are going to cover the entire “**innovation stack**”

In GPID Y2 we will extend our focus throughout the **entire spectrum of innovation**, providing better opportunities tailored to each TRL

Being Impactful

In GPID Y2, we are going to **expand our prize pool** and **reach**

TRL 1-3

TRL 4-7

TRL 8-9 & Market

“Discovery” Award

“Breakthrough” Award

Special Mentions

GRAND PRIZES

IMPACT PRIZES

1. **Materials Science**
2. **Sustainable Energy Technologies**
3. **Biotechnology and Synthetic Biology**
4. **Mining processes**

1. **Making Water Accessible**
2. **Zero carbon footprint**
3. **Environmental Impact**
4. **Water positivity and beyond water**

1. **Most innovative idea in Desal (policy / economics)**
2. **Venture Capital deal of the year in Desal**
3. **Most impactful Lab/Accelerator in water tech**

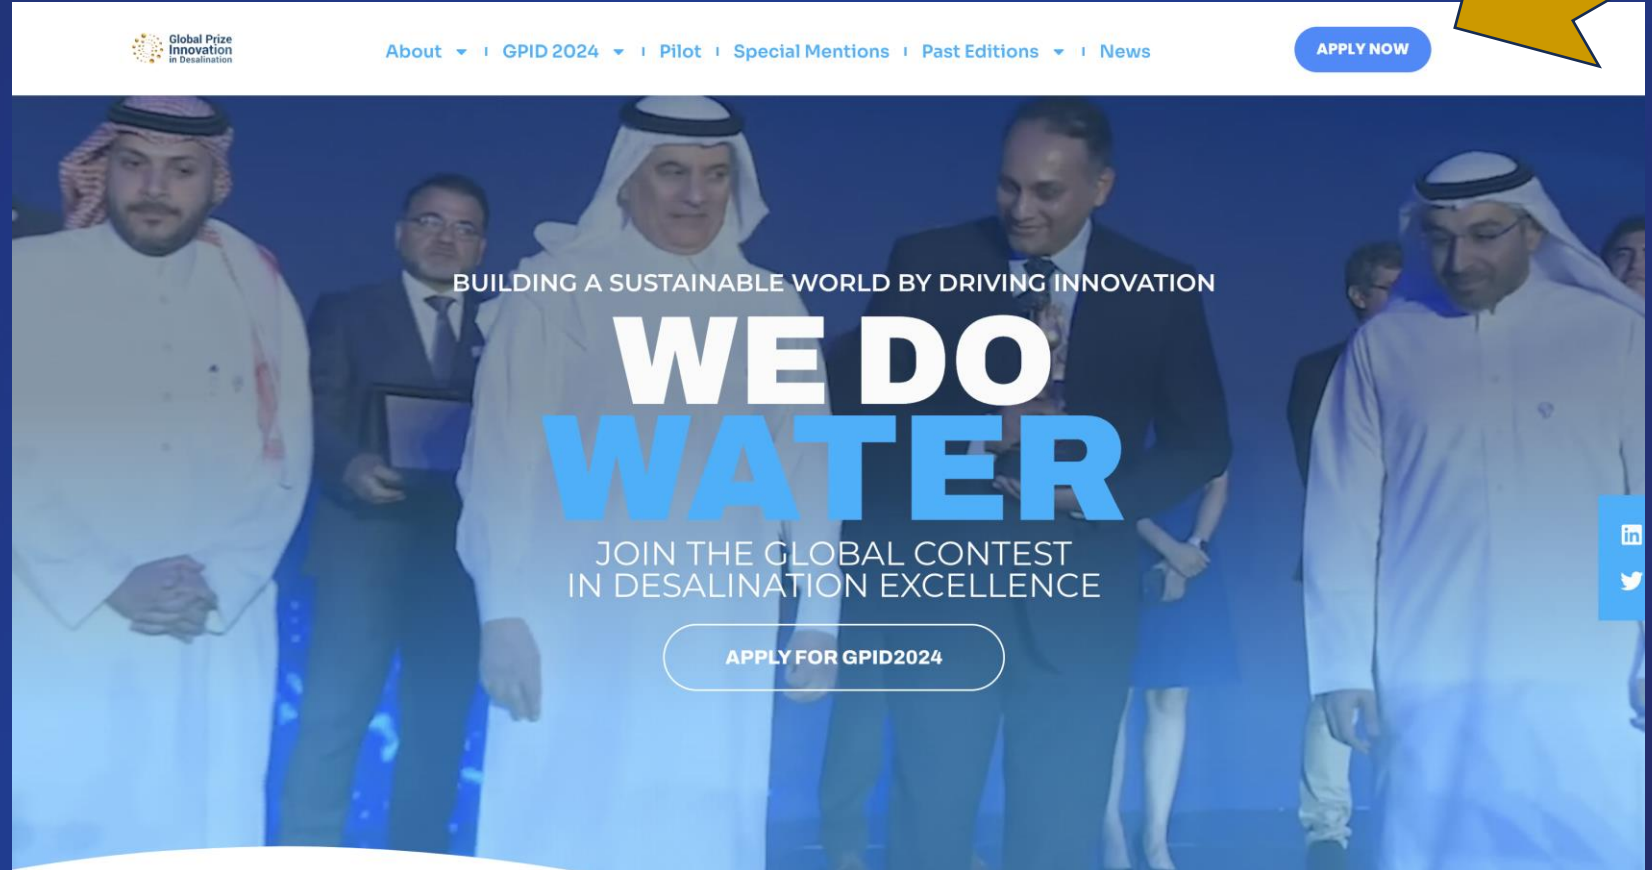

GPID Y2 will award up to 10 prizes, compared to the 7 of Y1 edition

When and how to apply

Submissions from Feb. 1st 2024 to Jun. 30th 2024

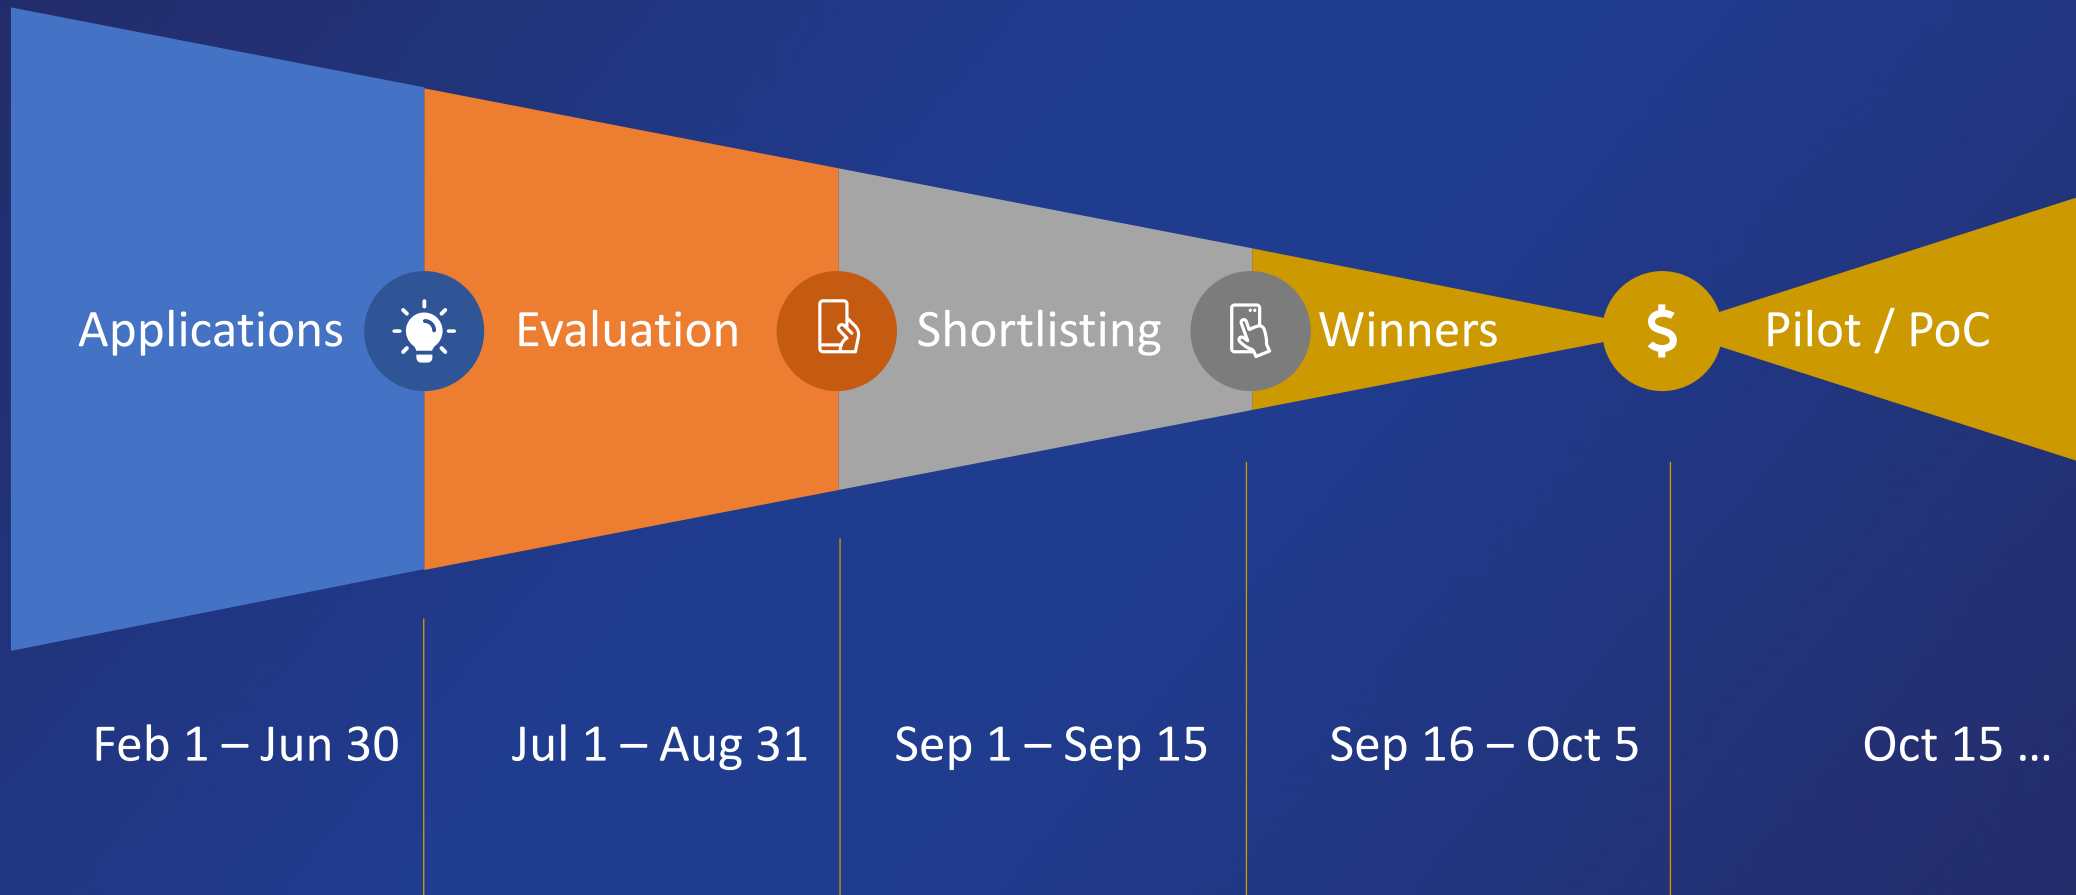

Go to gpid.net

or

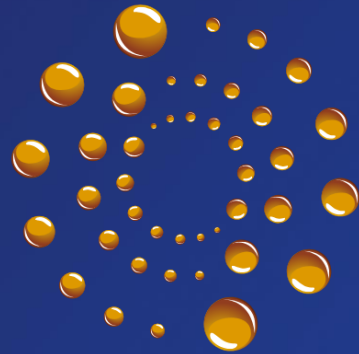

What's next?

Evaluations will start on Jul. 1st, the prize will be awarded Oct. 3rd 2024

Thank You
